ABOUT US

Our team share a passion for making a difference to the lives of young people through the power of PE, sport and physical activity. The support we offer to schools looks to utilise these benefits to have a positive impact on the wellbeing of the young people we work with.

We guarantee impact through a professional and supportive approach, based on extensive experience in the education sector. You are unlikely to find a like-for-like alternative to any of the support we offer.

WHY EDSENTIAL CIC

At Edsential, our team works in close partnership with schools to deliver training, CPD and experiences that promote high-quality curriculum PE, physical literacy, emotional resilience, and healthy lifestyles.

Best Value

With a clear commitment to quality services, we guarantee you 'best value'. We offer a range of solutions that support curriculum development, increase staff confidence and improve pupil outcomes - ensuring every child has the opportunity to thrive.

Impact Guaranteed

Our approach is rooted in evidence-informed practice and designed to enrich schools with purposeful, measurable impact. Every service we deliver is followed by an 'Impact Report' showing you the difference we have made.

The services we deliver are backed by a dedication to sustainability and creating a long-term impact.

SCHOOL ENGAGEMENT PROGRAMME

Our School Engagement Programme tackles the root causes of disengagement by focusing on social, emotional, and mental health through physical activity.

Schools that have booked this programme have seen:

- ✓ Improved attendance in targeted groups
- ✓ Better behaviour and resilience
- ✓ Stronger pupil confidence and leadership skills

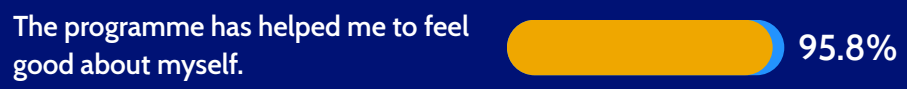

“Attendance isn’t just about being in the classroom - it’s about pupils feeling connected, confident and ready to learn.”

Available as:

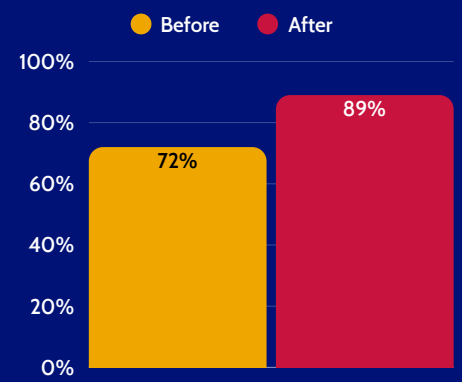

- Small Group Intervention Programme
- 1:1 mentoring service

Prices from £1,300 for 6 x ½ days

SUPPORTING INCLUSION THROUGH PE

Did you know...

All of our programmes are designed to support your school with inclusion.

Curriculum Support CPD Programme

With the number of pupils with SEND needs within mainstream classes rising, our CPD programme is a great way to support your staff to ensure PE is inclusive for all children.

Many staff report difficulties in adapting PE lessons to support pupils with SEND needs - why not provide support for them through our CPD programme?

Gross Motor Skills Interventions

Securing 'strong foundations' is a key part of supporting inclusive PE.

We know children with SEND may take longer to master the basic fundamentals physical skills.

Our SEND Fundamentals Programme is a great way to support children.

Competitions for All Programme

Providing 'competitive opportunities for all children' is a key requirement of the PE Premium funding.

Our Competitions for All Programme features weekly inclusive competitions, alongside SEND-specific events throughout the year.

Wellbeing Intervention Programmes

Our wellbeing intervention programmes support children to develop physically, socially and emotionally.

Choose from:

- SEND Personal Best Programme
- SEND Engaging Girls in Sport Programme
- SEND Rainbow Programme
- SEND School Engagement Programme

PE + Planning and Resources

Our PE+ planning platform is the perfect place to start for ensuring inclusive PE.

- Every lesson has clear adaptations for each part of the lesson
- All lessons have 3 outcomes - ensuring all children have the opportunity to succeed in PE
- Visual resources and CPD are included as standard
